

# LAURA SECLÌ

• Immunology Scientist •

## PERSONAL INFORMATION

Date and place of birth: 20/10/1990  
Casarano (Lecce)

## EDUCATION

**PHD in Biomedical Sciences and Oncology**  
**University of Turin**  
Oct 2014 - Nov 2018

**Master degree in Molecular Biotechnology**  
**University of Turin**  
Honour degree: 110/110 magna cum laude  
Sep 2012 - Jul 2014

**Bachelor degree in Biotechnology**  
**University of Ferrara**  
Honour degree: 110/110 magna cum laude  
Sep 2009 - Sep 2012

**Classic High school Diploma**  
**"Francesca Capece", Maglie (Lecce)**  
Degree 93/100  
2009

## AWARDS

- **AIRC two-years fellowship** 2020
- **AIRC one-year** 2019
- **Poster prize** ABCD Congress 2017
- **Mobility Prize** in memory of Doct. Morone 2019
- **Mobility Prize** Compagnia San Paolo 2014

## WORK EXPERIENCE

**Immunology Scientist**  
**Apr 2021 - present**  
**Nouscom, Via di Castel Romano, 100, 00128, Roma**  
Development and in vivo analysis of engineered viral vectored vaccines for treatment of cancer

**Post Doctoral AIRC Fellowship**  
**Jan 2019 - Apr 2021**  
**Molecular Biotechnology Center, Via Nizza 52, 10126, Torino**  
Study all aspects of cancer biology: from the fine molecular regulation of tumors and metastasis progression passing through the relationship with the stroma and the immune system to the translational application trying to find new tool to fight cancer (patent for monoclonal antibody)

**Scientific Illustrator (freelance)**  
**Jun 2017 - present**  
Realized illustrations for publications in specialistc journals, books (Zanichelli), scientific congresses and events, informative movies, laboratory websites

**Professor's Assistant**  
**Sept 2015 - Apr 2021**  
**Molecular Biotechnology Center, Via Nizza 52, 10126, Torino**  
Helped the professor create daily lesson plans, realized frontal lessons and examinations
